

American Board of Home Care Membership at Large

The companies listed below have been certified by ABHC to: (A) carry Worker's Compensation Insurance for their care givers, (B) only provide care givers that are employees of the company, and (C) not provide "independent contractors" that are not covered by Worker's Compensation Insurance.*

The Home Care Licensing Bureau has notified us that we are not to list HCO numbers until a license is officially granted. This could take up to 6 months. The ABHC has vetted all members to verify they have submitted the appropriate paperwork for licensure. All members can legally operate their home care agencies until they are issued a license or June 30th whichever comes first. As members receive their HCO license numbers they will be listed on the membership roster.
